Book File Details:

Review: Bennett has written a groundbreaking book that will turn upside down your understanding of Lincoln. Contrary to popular history, Abe was a visceral racist who resonated with white superiority throughout his life; never had a change-of-heart epiphany; was pushed to do the right thing only by others--the abolitionists and a radical anti-slavery Republican...

Description: Beginning with the argument that the Emancipation Proclamation did not actually free African American slaves, this dissenting view of Lincolns greatness surveys the presidents policies, speeches, and private utterances and concludes that he had little real interest in abolition. Pointing to Lincolns support for the fugitive slave laws, his friendship...
